## Financial Health Quiz

The below quiz details the questions and scoring from the first iteration of a financial health tool for consumers, which was tested in late 2017 with six financial institutions, two national associations, and three financial education organizations and trainers in Eastern Europe and Central Asia as part of the Microfinance Centre's annual Borrow Wisely Campaign. This is adapted from the report Toward a Financial Health Tool for Consumers-Test Results from Eastern Europe and Central Asia.
A) DAY-TO-DAY MANAGEMENT

| Does your family | $\mathbf{1 0 0}$ points | $\mathbf{7 5}$ points | $\mathbf{5 0}$ points | $\mathbf{2 5}$ points | $\mathbf{0}$ points |
| :--- | :--- | :--- | :--- | :--- | :--- |
| usually have any <br> money left at the end <br> of the month after <br> covering the living <br> expenses? | (30\% of the average <br> net monthly salary in <br> the country) | (30\% of the average <br> net monthly salary in <br> the country) | (20\% of the average <br> net monthly salary in <br> the country) | (10\% of the average <br> net monthly salary in <br> the country) | None at all |
